

MEMBER TESTIMONIALS – WHAT WE THINK ABOUT OUR CLUB

- *I was a founding member of the Rebus Gulf Harbour Club, having been a member of the HBC Mens Rebus Club since 2012. I thoroughly enjoy the fellowship and special interest groups that Rebus offers. During my membership, I`ve been impressed by the wide range of skills and knowledge that most members display, and I`ve made many good friends. Rebus has added another dimension to my retired life. **Pieter. H***
- *My wife and I joined the Club some two years ago and being new to the area, membership of Rebus has enabled us to make new friends and acquaintances.*

*Through Rebus, we now feel very much a part of the local community. **John. T***

- *My husband and I joined Rebus Gulf Harbour soon after it was started in 2019. We have enjoyed making new friends and especially the extra activities such as Ramblers, City visits and bowling, these are outings we probably wouldn't do on our own. **David and Verneice. K***
